Fishy Tales

Your extra special 'stuff up' edition

Lions,

I'm going to blame Roger for this minor error because he sent me the information in good time and asked me to include it in the next available Fishy Tales. Of course, we all know now that I didn't include it. Roger's to blame because if he hadn't sent it, I wouldn't be in the embarrassing position of having to admit to an oversight. QED

Dear Club Secretaries

Every year our District N2 Foundation, NSW & ACT Save Sight and Public Health, has a couple of major fundraisers.

The car raffle is one, the other is the Community Challenge.

These funds are not only to fund the NSW Lions Eye Bank, but to fund Lions Clubs who apply for assistance through grants from the above Foundation.

This year Lion Norm Fountain, from the Crookwell Lions Club, is our representative in the Community Challenge.

The Crookwell and Goulburn Lions are supporting Norm and have produced a Cookbook, see the attached proposed artwork for the cover.

The book contains a wide variety of 174 recipes, in an A4 sized bound book.

The recipe books will be priced at \$15.00 each. It would be great to see each of our 66 Clubs purchase 10 or more each!

If your Club considers this worthy of support, please forward your order to Ray Strong at rmstrong8@gmail.com

Thanking you in advance for your anticipated support of Lion Norm, he will represent us very well.

Yours in Lions
