November 2018 Newsletter

### District Governors Visit

Roger Millburn, in welcoming DG Peter, commented that even though they both joined Lions in the same year they represented the two classic versions of service to Lions. Roger like most of us see Lions as direct service to the community and organisation at a club level, whilst Peter has become involved at a District, National and International level. In his address, Peter reminded us of the advantage of being part of Lions International and the status that it gives us in our community. He spoke highly of our club's record over many years, and how this is not always what he finds at club level in the District. Peter did remind us of the great reputation that the name Lions has in the community and that Lions International jealously guards this reputation. The name can only be used if we have oversight of any event advertised as a Lions event.

Phil Cooper thanked Peter for his positive comments on the performance of the club and questioned why he would call us the '*second best club in the municipality*'.

### Ladies Night

Sixteen Ladies attended a dinner at The Sebel, whilst we enjoyed our DG visit. The ladies now have their own email mailing list as we can't be trusted to read club emails and are often guilty of censorship in what we pass on. Evidently it was a great night, and more are planned for the new year.

### Drought Relief.

The Bush Bank fund raiser at last count was valued at \$4900, including a member donation of \$100 and a further addition from Sonya Slyer. It is possible that it could be a little more if Kiama Council feels it is appropriate to subsidise the use of Council Buses. This has been a great event; participants enjoyed a quality African Banquet dining experience at a spectacular venue. Sonya with the support of her suppliers have maximised the return to Lions and drought relief. Thanks go to Terry and Sonya and Lion Hugh Sail. The Board has a notice of motion as part of the Treasurers Report to donate the money to a fund organised at a District Level which is offering practical help to farming families, rather than providing fodder. A number of Lions clubs have moved in a similar direction providing everything from groceries to help with school clothes. Some have joined Construction Mates in providing an interface for stressed farmers to network and support each other.

There is a real and distinctly rural problem that is not being addressed, apart from a formalised Governmental system.

Some religion based organisations like Frontier Services, with remote chaplains, remote volunteer systems and practical support are having a significant impact.

### Christmas Cakes

Once again, Nesbit is organising the sales of Christmas Cakes. This is a good money earner and many people look for them every year. Superior quality proven over many years makes customers prepared to pay that little extra, knowing it is all going to a good cause. The Lions Christmas Cake and Pudding program has been a major fundraising project of Lions Australia since 1965 and raised an estimated profit in excess of \$50m. Profits from this project are donated back into the community in many ways but just to name a few: Sight First, Medical Research, Children's Mobility Foundation, Eye Health Program, Hearing Dogs, Disaster Relief, Aged Care, Drug Awareness and various Youth Programs.

## Barbecue Trailer.

Denis Beynon has continued to have great success in financing the new trailer. A total of \$15,000 has been put together, and Denis still has some irons in the fire. Congratulations on an unbelievable effort. The hi-tech BBQ shown has a complete catering system and is, I believe, what Geoff Shoard would like to have in the shed. It only costs \$US12,000 but when you read what it can do, it only uses what the caravan industry has developed.

## Constitution Review.

Events this year have focused the Board's attention on our Constitution. Mike Bowden has led the search for a copy of the Constitution that was submitted when we were incorporated. I had a copy of the Model Constitution in the President's big black bag along with other treasures including an 8m Tape marked President MLC but, until Mike obtained a copy from the Department we were flying blind. Whilst using the Lions International Model Constitution may have been expedient at the time, it really doesn't suit fit a club of our size, is outdated, and contains details that change regularly.

Mike has taken on the task of getting a printed copy into a word file and then developing amendments with the assistance of members who are able to contribute. These amendments then need to be voted on at a General Meeting, appropriately advertised. Once passed, it then has to be accepted by the relevant Govt. Department. It would be nice to have the 2019 Board Constituted under the revised Constitution.

## Code of Conduct.

The Board has been involved in the determination of what is acceptable behaviour. This has long been irrelevant in the practical functioning of the club. DG Peter mentioned in his report that this is not true for many clubs, and that he is frequently involved in these contentious issues. Lions has a Code of Conduct which is operative if a club has not developed its own. I have circulated it amongst our Board members for discussion at the next Board Meeting and am satisfied that we have acted in line with the guidance given and would like to see the Board approve this document as club policy.

Our Purposes and Ethics are the elements that bring us together. Our Code of Conduct states who we are and how we conduct ourselves in our work on behalf of Lions International and where we are recognised as spokespeople or representatives of our Lions Clubs. It also states the culture we strive for and provides a shared understanding and expectation of the way we behave as individuals, towards each other, our members, clients, donors, partners and other supporters.

## Lions Eye Health.

Stephanie and I handed out the brochures to all the Pre Schools in Kiama, North Kiama and Jamberoo. We were well received as they supported the voluntary Steps program run through Pre Schools. We were to hand them out at Killalea last month closer the date devoted to Eye Health, but rain and wind on that day will see us handing out the brochures that remind people that children also need eye testing this weekend. Lions is heavily involved in supporting eye awareness and helps to finance research in the field. These will be promoted at the November Market, but donations will be to all Lions charities.

## Tathra Recovery.

Evidently the remediation of the fire damaged sites by Govt. arranged contractors was completed by JULY. Some insurance companies like NRMA did not wait for this and removed asbestos using their own contractors, taking the risk that they may not be covered by the Govt Scheme. About 15 new houses are under construction. Insurance companies who provide alternate housing seem to be faster in approving claims and starting construction. Some landlords with holiday rentals have let them long term to displaced locals. This impacts on the amount of money coming into the local economy. Everything appears normal, people go to work life goes on, but it will be some time before the recovery is complete.

## Christmas Rush

We all face an increasingly busy time of the year. As Lions we have a busy service schedule with three Market parking dates, another two-day parking at the Showgrounds and one Council sponsored BBQ, as well as Driver Reviver. There are also two social events that require our attention. At all times, family is our first duty and hopefully Lions comes a little after that. I leave the details to reports for our coming meeting on Tuesday evening.

## Secretarial Snippets

A few points from the District Newsletter for your consideration:

- The need for Lions, especially those dealing with youth & children (Youth of the Year, Leos, Outward Bound etc) to be assessed and hold a “Working With Children” certification. As, we as Lions, are in the public eye at most of our fundraising ventures, it is probably a good idea that all Clubs move toward having all Lions verified.
- “Tomra”, a company that supplies the bottle & container recycling machines did a presentation, asking for our assistance in alerting Lions Clubs in NSW & QLD about the opportunities to raise funds in co-operation with Tomra. I pass this information to you. There are three opportunities to raise funds, as they explained.
- Distribute collection bins to schools etc for bottle/container collection and use the funds received to donate back to the point of collection. This cash received would go through your Activities account.
- Provide a BBQ for days when it is expected to be ‘heavy days’ of the public using the Tomra machine. This cash received would go through your Activities account.
- **Adopt a Tomra site. This would mean a check for broken glass, boxes & containers left at the site and basically keeping the site clean & tidy. The sum mentioned by Tomra was \$800 to \$1000 a month. This cash received would go through your Administration account. This would be a good way to help pay for your Club’s membership fees & dues.**

... and from Brian:

Oops, sorry, a green jacket.

# District 201N2 Lions

At our recent District Convention, we did not have a 'Qualified Lion' (see (a), (b), (i), (ii) & (iii)) below stand for the position of 2<sup>nd</sup> Vice District Governor for 2019-2020.

The clause shown below is from the Standard District Constitution, Article II, Section 6.

**Section 6. FIRST AND SECOND VICE DISTRICT GOVERNORS AND OTHER VACANCIES.** Any vacancy in office except that of district governor and first and second vice district governors shall be filled by appointment from the district governor for the unexpired term. In event of a vacancy arising in the office of first or second vice district governor, the district governor shall convene a meeting of the members of the existing cabinet as provided for in the International Constitution and By-Laws and all past international officers who are members in good standing of a chartered Lions club in good standing in the district. It shall be the duty of the attendees at this meeting to appoint a qualified club member as first or second vice district governor for the remainder of the term. In filling said vacancy, it shall be the duty of the district governor, or if not available, the most recent past district governor who is available, to send out invitations to attend said meeting and it shall also be his/her responsibility to preside as chairperson of the meeting. The chairperson shall convey the results to the international office within seven (7) days together with evidence of invitations sent and meeting attendance. Each Lion who is entitled to receive an invitation to attend and is present at said meeting shall be entitled to cast one vote for the Lion of his/her choice.

In order for a Lion to be eligible and qualified to be selected to fill a vacancy in the office of first or second vice district governor, he/she must:

- (a) Be an Active Member in good standing of a chartered Lions club in good standing in his/her single or sub-district.
- (b) Have served or will have served at the time he/she takes office as first or second vice district governor:
  - (i) As officer of a Lions club for a full term or major portion thereof; and
  - (ii) As a member of the district cabinet for a full term or major portion thereof.
  - (iii) With none of the above being accomplished concurrently.

If you are a 'Qualified Lion', or indeed, an 'Unqualified Lion' and would like to put your name forward as a candidate for that 2<sup>nd</sup> VDG position at a Special Cabinet Meeting, with past international officers on Saturday 10<sup>th</sup> November, 3.00 pm at the Youth Hall in Jamberoo, please carry out the following procedure.

# LIONS YOUTH EXCHANGE

## Seeking host families from any State in Australia for any youth

### Are you looking for a club project involving youth?

Why not offer to host one of the young students travelling to Australia in December 2018 – January 2019 with the Lions Youth Camp and Exchange Program. Contact your District Youth Exchange Chairperson for host application forms and information (contact details on last page). Keep an eye out for our next flyer.

*(List of youth current as at 8 October 2018)*

**Please note:**

- 1) All host family members over the age of 18, must have a current **Working With Children Check (WWCC)** clearance for their state, when students under the age of 18 are being hosted by the family.
- 2) Families applying to host the youths listed below, will be contacted by the relevant **Program Coordinator** separately and made aware of any known **health, medical and dietary considerations** the youths may have.

*Dear Supporter,*

*Re Blue Haven Fete*

*Another fantastic result.*

*We were very relieved to see the sun come out on the morning of Fete day and it was the beginning of a terrific day with an enormous range of goods on sale and a great crowd rolled up to take advantage of the bargains.*

*There is still some money to come in but at the moment the tally stands at \$16807.00*

*What a fantastic result.*

*Your help on the day was greatly appreciated and we could not have done it without you.*

*The residents of the Aged Care Facility will benefit from this effort and their quality of life will be greatly enhanced in the near future. We will determine what equipment we will purchase with this money but whatever we purchase, you can rest assured that it will be compatible with whatever is provided at Blue Haven Bonaira.*

*On behalf of the members of the Friends of Blue Haven Aged Care Facility, I would like to sincerely say a big THANK YOU.*

We're back!

After last years amazing Kiama Show Ball, we're back and more excited than ever to provide you with an amazing night of dancing and fun. This year we will have an amazing live band, Swamp Dawkins, as well as a DJ Brendon Comber and the amazing Kiki and Pascale to share with us the most hilarious love story ever told!

Tickets are now on sale!

**The Kiama Show would like to extend an invitation to all members of The Minnamurra Lions to The Kiama Show Ball. And also as a way of showing appreciation for all you do we'd like to offer each and every one of your members a \$5 discount on each ticket. Above is the flyer I've made especially for your group with your discount code. Please share with everyone in your club and we hope to see you at The Kiama Show Ball.**

**All your members need to do to get tickets is to go to [www.kiamashowevents.com/showball](http://www.kiamashowevents.com/showball) and use your discount code Show-LovesLions You are all welcome to bring friends and family as well.**

# Treasurer's Page

## **Admin Account:**

Account balance on 6th November 2018 \$4,139 which includes \$425 for cruise deposits. One member has paid funds but didn't include his name on the deposit, so it seems he might be generously making an anonymous donation to the club's admin account. Perhaps the donor could let me know and ensures he brings a gold coin or two to Tuesday's dinner meeting (if no coin the club keeps the money).

## **Activities Account:**

Account balance on 6 November 2018 \$28,380 of which \$5k is for the trailer and \$5k to drought relief and also includes an additional \$900 received from the Bushbank dinner and \$3,011 from the Killalea market held on 4 November, less \$85 rent for the scout hall.

No, this isn't Geoff S in night attire. This is:

**[Kevin's Social Events Page](#)**

and with Christmas fast approaching, this seemed like an apt illustration.

**Christmas Function - 3 weeks to go and we have 51 declared starters (bigger field than the Melbourne cup although I expect to shoot a few) of which 27 have nominated for bus transport. Still awaiting replies from a few stragglers but will follow up with them later.**

**Harbour Cruise, April 6, 2019.**

**We currently have a crew of 25 which is enough to proceed. There is room for another 15 so if you have friends or family who would like to join us they are most welcome to do so. First in best dressed! The securing deposit will be paid to Captain Cook Cruises tomorrow.**

**In these times of equal opportunity the ladies in our midst will be assigned to the duty of oars-people, president Travice will be on the bass drum to ensure synchronisation of the rowers whilst the gentlemen in the group will be assigned to the duty of wine, beer and food tasting. Should be a good night!**

## 20th Anniversary Celebrations

Bendooley Estate west of Bowral is the proposed venue and it seemed to have support at the mixed night, but I would like it confirmed so Kev can secure a booking.

The following is part of an email from the manager:

... as I was hanging up I realised you mentioned a lunch – we can so do that! We would love the opportunity to host this significant anniversary charter luncheon in November 19 for approximately 60 guests...

Please find attached is a copy of our Tableshare Menu which will cost \$65 per person and will include three mains, three sides and three dessert canapes. The Tableshare Menu is a beautiful way to hold that special lunch with friends and family – there will be platters of food down the centre of the table, and guests will relax and enjoy

a wonderful feast whilst overlooking the estate...

We have an extensive wine and beer menu, and beverages throughout your luncheon will be on consumption.

Please also note that we will be hosting a wedding in the evening on weekends, this won't affect your afternoon, however the entire venue does close around 4.00pm and we like to be upfront in letting you know.

At this stage we can accommodate your reservation on the date you are thinking - hopefully, so please let me know if you would like to proceed?!

**Please Consider**

To those Lions who provided their time to help with the set up for this year's Relay For Life I would like to say a big thank you. Despite it being a bit of a comedy show with a wedding taking place where we were supposed to be setting up. Then followed two council officers, one playing good cop the other, bad cop ( Stephanie's words not mine). While the good cop smiled the bad cop told us we were not to move until 5 pm as the wedding was booked from 3- 5pm. Meanwhile along came a happy throng of young cricketers for their regular training session oblivious to the happy newlyweds need for a bit of unhindered photo time at Black Beach. The kids were also seemingly unaware of the dire consequences of moving before 5 pm.

While I could look on the funny side of this situation because most of the set up had been done by our Lions volunteers well before the wedding or the stern words from our council officers. I stayed around to help with the final pack up of wedding chairs and then the set up of our last two marquees and still was gone by 5pm.

Thanks again fellows and hopefully the council will look a bit closer next year at it's booking schedule.

Martin

Please keep Noel informed of any changes to address, telephone, e-mail etc.

This will help him to keep our records accurate and up-to-date and if you don't want to get the job of picking up his golf tees, don't upset him

# At last it can be revealed

(or: 'Never let the truth get in the way of a good story')

At last week's Killalea Markets, your editor was doing traffic control duty with Ken and Steve when a car ignored Ken's signals to stop and drove past him. The normally unflappable Ken then chased the car trying to kick it but, being on one leg, couldn't catch up. It was a wonderful technique to witness and your editor has dug up the dirt and can reveal the full story leading up to the event:

Inspired by Usain Bolt's desire for a career change, Ken has been in France trying out for a contract at the Folies Bergère and hence his high kicking style is now very much improved.

Apparently he feels that he has nothing Toulouse and isn't in it for the Monet.

Nous te souhaitons bon chance, Ken (we wish you all the best).

**Breaking News:** It appears that Ken wasn't offered a contract because in one of the high-kicking rehearsals he passed Degas!

Where's  
Kenny?

## Getting Married

Jack, age 92, and Gill, age 89, are all excited about their decision to get married. They go for a stroll to discuss the wedding, and on the way they pass a chemist shop and Jack suggests they go in. Jack addresses the man behind the counter:

"Are you the owner?" The pharmacist answers, "Yes."

Jack: "We're about to get married. Do you sell heart medication?"

Pharmacist: "Of course we do."

Jack: "How about medicine for circulation?"

Pharmacist: "All kinds"

Jack: "Medicine for rheumatism?"

Pharmacist: "Definitely."

Jack: "How about suppositories?"

Pharmacist: "Yes"

Jack: "Medicine for memory problems, arthritis, and Alzheimer's?"

Pharmacist: "Yes, a large variety. The works."

Jack: "What about vitamins, sleeping pills, antidotes for Parkinson's disease?"

Pharmacist: "Absolutely."

Jack: "Everything for heartburn and indigestion?"

Pharmacist: "We do..."

Jack: "You sell wheelchairs and walkers and canes?"

Pharmacist: "All speeds and sizes."

Jack: "Adult incontinence pants?"

Pharmacist: "Yes."

Jack: "Then we'd like to use this store for our wedding presents list..."

A woman stood before a judge after shoplifting from her local supermarket.

The judge asked, "What did you steal?". "A can of peaches," replied the woman.

The judge asked why she'd stolen the peaches and the woman replied that she was hungry. The judge asked how many peaches were in the can. "Six," said the lady.

The judge said, "Then I will give you six days in jail."

Suddenly, the woman's husband asked if he could say something on his wife's behalf.

"What is it?" asked the judge.

"She also stole a can of peas," said the husband.

## Growing old.

First you forget names; then you forget faces; then you forget to zip up your fly; and then you forget to unzip your fly.

**Do you ever wake up, kiss the person sleeping beside you, and feel glad that you are alive? I just did and apparently will not be allowed on this airline again....**
