

# Lions Club of Minnamurra

## Fishy Tales

.. a bit extra because your editor forgot to put this in the regular edition (sigh)

Kiama Lions are sponsoring the following show and we are invited to attend. It has been written by a former member of Kiama Lions who lives locally and after the support that we received from them at yesterday's Bushbank Bash, it will be a bad look if we cannot offer our support. More info from our Secretary on Tuesday evening.
